

Technocraft Industries (India) Ltd.

Titeseal Closure Product Data Sheet

50mm and 20 mm EZ Seal Capseal

General Information

- **Raw Material** : Polyethylene
- **Easy tool-free application** : No tools of any kind are required. Technocraft EZ Seal capseals are efficiently and securely applied over Technocraft closure by hand and provide protection against pilferage or substitution of the drum's contents.
- **Safe and easy removal** : Technocraft EZ Seal capseals can be effortlessly and conveniently removed by hand.
- **Colour options** : Manufactured from PE, the standard Technocraft EZ Seal capseal is supplied in white colour. Subject to minimum order quantities, any colour can be supplied. The Technocraft EZ Seal capseal can also be printed with your company logo or message about the drum contents.
- **Packing** : Sealed in Polythelene bag and packed in corrugated box.
