Dear Sir / Madam,

Sub: Disclosure of Material Event/ Information under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Anhui Reliable Steel Technology Co. Ltd (ARST).

We would like to inform you that the Company (Technocraft Industries (India) Limited) has manufacturing facilities to manufacture Drum Closures and Scaffolding at its plant in India as well as at plant of the wholly owned subsidiary Company i.e. Anhui Reliable Steel Technology Co. Ltd (ARST), situated at China. Entire production of scaffolding is exported out of China by ARST.

Considering the Tariff restrictions by USA on imports of products from China and other commercial consideration, production of Scaffolding in Plant of ARST, situated at China, is proposed to be discontinued from end of May 2021 and demand of scaffolding products will be met by plant of the Company (Technocraft Industries (India) Limited) in India (as both the plants i.e. plant of ARST in China and plant of the Company in India are capable of manufacturing similar scaffolding products).

Trading of scaffolding by ARST along with finishing of the products as may be required and production of Drum Closures in plant of ARST will continue as usual. Thus all the customers will continued to be served by the Company either from ARST China or from India plant.

Kindly take the same in your record.

Thanking You,

Yours truly,

For Technocraft Industries (India) Limited
